

## *Tree School Volunteers Needed*

### **MERRILY ENQUIST**

**E**llen Hanley, new Volunteer Coordinator for Tree School Clackamas, has been busy learning about Tree School and the many areas of that program that need volunteers before and during Tree School.

Here are just a few ways you might consider helping make Tree School 2011 the best one yet. Those who are taking classes can also assist—just check with Ellen to see when and

where you can help.

Everybody's favorite—packet preparation, will be held March 16, 1 to about 3 p.m. OSU Extension, Oregon City.

Other volunteer opportunities include Tree School Set Up, March 18, 1 p.m., Clackamas Community College. Bring gloves.

During Tree School, March 19, we need lunch ticket takers, folks who give directions, put up or take down

TS signs, assist with Exhibit set up, and registration packet distribution, drive a van, and more.

Please contact Ellen to see where you can help. Call 503-266-4486 or e-mail Ellen at [ellenpoppy@comcast.com](mailto:ellenpoppy@comcast.com). ■
