

Herbicide Time is Approaching

JIM SCHREIBER

The Clackamas County Farm Forestry Association is gearing up for the 2014 war on invasive weeds. Are you?

Once again we have gained the support from three herbicide suppliers who have agreed to provide our OSWA-CCFFA chapter members with discounts on herbicides. The discounted prices, offered to our members only, are substantial and well worth checking out*.

SUPPLIER LIST:

Fischer Mill Supply
20990 S. Fischer Mill Rd.
Oregon City, OR 97045
Contact: Connie Martin at 503-631-3411

Molalla Fertilizer/Wilbur-Ellis (MF)
(Prices valid at Molalla Fertilizer ONLY)

430 Hart Ave.
Molalla, OR 97038
Contact: Tim Sowa at 503-829-2266

Oregon Vineyard Supply (OVS)
19658 Hwy. 99E
Hubbard, OR 97032
Contact: Cindy Slake at 971-216-0111

***Note:** Final 2014 manufacturer's pricing to these suppliers had not been finalized at the time of this writing.

Members must have and provide their NEW 2014 OSWA (six-digit) membership number in order to procure pricing and product. If you do not know your current member num-

ber, contact Larry Stone at 503-632-6010 for that number and for answers to other procurement questions.

If you have your membership number you may contact the suppliers directly for pricing and availability. In order for this program to continue to be successful, we need the support of the listed suppliers. We ask that you do not put these suppliers in the position of matching or under-bidding another supplier. Doing so may cause the program to be discontinued. With pricing in hand you can then select the supplier who best meets your needs.

It is important to CCFFA, and the suppliers, to know that our members are supporting the program. Please let the suppliers know how much you appreciate their involvement. **Just say thanks! ■**

Now Go Out And Get Those Weeds!
